

HZB 40

Ice maker
Eiswürfelbereiter

HZB 40 from ADT-Europe

The new Icemaker generation from the product range PERFECT COOL

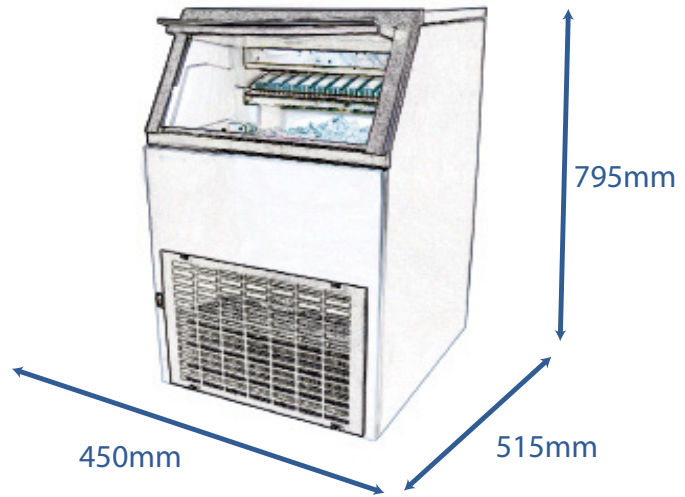

With innovative cooling technology:

Fast-acting, the machine is double-mode "full" and "economy" for optimal consumption levels and energy saving efficiency. Water-carrying parts made of food safe materials.

All dirt prone components for service and cleaning purposes easily upgradeable.

Key Features:

- A powerful Ice maker
- Construction complete in stainless steel
- Efficient cooling technology
- Easy to clean

Specifications:

MODEL NO. :	HZB-40
AMBIENT TEMPERATURE:	10-40°C
AMBIENT HUMIDITY :	≤90%
POWER SUPPLY:	220-240V/50HZ,230V/60HZ
RATED INPUT:	400W
FOAMING C5H10:	FOAMING C5H10
REFRIGERANT:	R134a
ICE MAKING CAPACITY:	40KG/24H
ICE STORAGE CAPACITY:	20KGS
CLIMATE TYPE:	SN/N/ST
CERTIFICATION:	CE GS
UNIT DIMENSION(W*D*H):	450*515*795(MM)
Inch:	17.72*20.28*31.30(INCH)
PACKAGE DIMENSION(W*D*H):	506*576*856(MM)
Inch:	19.92*22.68*33.70(INCH)
LOADING QUANTITY:	242PCS/40'HQ
	164PCS/40GP
	76PCS/20GP
